Dear Valued Customer:

As per our announcement in September 2009, enclosed are the new price lists for Spears® products, effective October 26, 2009. Please be sure to review these books, since there are a number of new items since the last printing that may be of interest. Additional copies may be downloaded from the Spears® web site, www.spearsmfg.com; or ordered from your servicing Spears® Distribution Center. New price lists for Molded PVC-DWV fittings, also effective October 26, 2009, are not being printed at this time, but may be downloaded from the web site as well.

The most up-to-date pricing for all Spears® products can always be obtained from the Online Catalog at www.spearsmfg.com.

In addition, supplemental brochures on Spears® select products are enclosed for your information.

Sincerely,

SPEARS® MANUFACTURING CO.
